Subject: ND mercury

Dear Karl,

We haven't forgotten about you and the ND triennial. We had an initial conversation with EPA HQ and Bert – however with vacations etc and folks out of the office, our follow-up discussion was pushed out to Sept 14. Bert will be reaching out to you soon after to follow up on our conversation.

I just wanted to make sure that you know our time frame and aren't concerned that we aren't getting back to you.

In the meantime, If you have any additional information to share that can help, or questions, please let me know.

Have a great weekend,

Judy
